

Promotion of the Arts Grant

CHARAC Application Form and Guidelines:

The CHARAC **Promotion of the Arts Grant** has been created to assist new and aspiring artists or new or established organizations for the creation or organization of events, exhibits or performances which showcase the work of local artists and promote exposure and appreciation of the arts in the community.

In the request for such funds, artists or organizations must complete the information requested below. CHARAC also asks to be acknowledged at the event and in the promotion of the event.

Requesters must be active members of CHARAC, 18 years of age or older, and the event must be held within the greater Cable/Hayward community. Event or exhibit must be available to the general public. No more than \$150 will be granted for any one request. Grant dollars are only available for the original specific event, promotion or exhibit. Grants are meant to be used in the creation of new arts opportunities, and are not to be used for ongoing or annual events.

Funding requests will be evaluated by the CHARAC board of directors. Please allow 30 days for such requests to be evaluated. CHARAC requires a 1-page report on the event or performance within 60 days after its conclusion.
