Is your membership current?

Membership in Cable Hayward ARea Arts Council enables CHARAC to serve you and the art community in providing art and cultural programming for our communities. There are several ways in which we do that: scholarships for high school seniors; grant awards for emerging artists and for education and supplies; providing seminars and workshops and other training for artists; major cultural events providing artists venues to demonstrate and sell their art; and the Park Theater, a center for the Performing and Visual Arts.
