

**We would like to thank the  
Cable businesses and citizens  
for their support of  
Gallery on Main Street.**

**Also, we would like to thank  
the many artists whose  
participation make this event  
such a success.**

**TIPS...**

Here are a few things to remember when creating your banner art:

- **Keep it bold.** The banners will be viewed from a distance by people in passing cars and pedestrians. Subtle details and colors will be lost.
- **Size is important.** Your two dimensional piece of artwork must measure 24" tall by 12" wide. Three dimensional art must conform to that proportion.
- **Choose an appropriate subject.** Banners will be viewed by people of all ages.
- **Have fun!**
