

REUSE, RECYCLE AND RECREATE!

CABLE HAYWARD AREA ARTS COUNCIL
CHARAC

The second mosaic workshop offered by CHARAC will be held on Tuesday, August 4, beginning at 6 p.m. in the Freight Station at Seeley Sawmill Saloon.

This session we will recycle some old garden tools and containers into recreated art! Come and help CHARAC prepare these items for auction at our Annual Event scheduled for August 24 at the Flat Creek Eatery!

Your entry fee: 1-2 colorful plates or pottery or cups or bowls that we can "recycle" into creative art. Beads and glass baubles are helpful too. Everyone will have the opportunity to work together on several large items and/or individually on smaller items. (Any larger donations of colorful ceramics that we can use for this event are appreciated!)

Questions: Contact Mary Ringelstetter at 739-6640 or write her at maryrosewis@yahoo.com.
